

The Turnastone 3 Bedroom

From €196,000

Key Features:

- Floor Area 178sqm
- Traditional Style
- Open Plan Kitchen, Dining, Living
- Vaulted ceiling (loads of sunlight)
- Master Bed with Dressing room & En-suite
- Master Bed with direct access to patio

The Turnastone is a contemporary bungalow design which combines open plan living space with a modern aesthetic to provide a home of real architectural interest.

The kitchen / dining and living areas benefit from a large glazed facade which brings plenty of natural light in, while the two double bedrooms offer more privacy and seclusion.

The layout also lends itself to further future expansion should you need to accommodate a growing family.

To customise this bungalow home plan or for more information on our services, please contact us to discuss your requirements.
